

Technical drawing of a mechanical part, likely a propeller or fan blade, showing dimensions in millimeters (mm).

The drawing includes the following dimensions:

- Overall Width:** 400 mm (indicated by a vertical dimension line on the left).
- Top Width:** 100 mm (indicated by a horizontal dimension line at the top).
- Intermediate Widths:** 242,5 mm and 370 mm (indicated by horizontal dimension lines).
- Bottom Width:** 400 mm (indicated by a horizontal dimension line at the bottom).
- Radius:** R90 (indicated by a dimension line near the bottom right corner).
- Offset:** 50 mm (indicated by a horizontal dimension line on the right side).
- Height:** 600 mm (indicated by a vertical dimension line on the right side).

The drawing shows a central vertical axis and a horizontal axis intersecting at the center. The part is symmetrical about the vertical axis. The top and bottom sections are trapezoidal, while the middle section is a rectangle. The dimensions are given in millimeters (mm).
